

## Hadley Junior High School Student Program Placement Policy

Hadley GB June 20, 2007

- Each student is placed in a program that best fits his/her individual needs.
- The Administration is responsible for the placement of students in particular programs and/or groups, and does so in consultation with professionals who have been working with the student and who are familiar with his or her needs.
- The group placement may change from year to year. Students are placed in a group for an entire school year. Student movement from group to group can only occur if initiated and approved by the Administration.
